Grow Sustain Transform

National Faculty Development Workshop
19th August 2017 at 10.30 am

India welcomes GST: One Tax, One Nation, and One Market

International Institute of Business Studies (IIBS) located at Bangalore, Noida and Kolkata is one among the top most MBA colleges in India. It employs unparalleled education methodologies raising the standards of management education on par with excellence. Over the years, with dedicated commitment and perseverance IIBS has established itself as one of the premium management institutes in Bangalore.

Our Mission is to create industry oriented dynamic education system that enables our students an edge over others by imparting knowledge, skill sets and right attitude which would help them to enhance their professional ability to meet with competitive corporate world.

IIBS encourage latest in teaching & learning processes amongst management professionals. IIBS encourages One Tax, One Nation, and One Market and to enable both teachers & students to Grow Sustain Transform

Moving forward to enrich the faculties and students, IIBS organise one day Faculty Development Program national workshop : GST - Grow Sustain Transform

GST FDP workshop would educate and help teachers and future management leaders to understand GST & its implementation challenges, manage change, grow and transform

The Joint Commissioner of Commercial Taxes (e-Audit), GoK and State Taxes Committee & Team GST, Federation of Karnataka Chamber of Commerce & Industry, Consultative Committee, Govt of Karnataka, would conduct the GST workshop and provide the participants about GST with a systematic approach to implement in workplace. The core principles of GST that will help organization to solve business challenges and build a culture for One Tax, One Nation, and One Market by organization wide deployment.
