FDP with Ms. Ordetta Mendoza on Autonomy

IIBS Bangalore conducted an enriching Faculty Development Program on 2nd December 2025 on the theme “Autonomy – A Privilege to Practice,” led by Ms. Ordetta Mendoza. The session was inspiring and insightful, providing faculty members

with a deeper understanding of the significance of autonomy in academics. Ms. Mendoza emphasized how academic freedom supports innovative teaching practices, confident decision-making, and self-driven excellence. The program offered valuable perspectives on autonomy in academic innovation, classroom effectiveness, and institutional responsibilities. Reaffirming the belief that empowered faculty create empowered students, this FDP marked a meaningful step toward strengthening the academic ecosystem and fostering a culture of continuous growth and excellence.

Academic Council Meeting

The Academic Council Meeting, held on 4th December 2025 at IIBS Bangalore, was led by the Academic Director and brought together esteemed faculty members to deliberate and make

key decisions on academic standards, syllabi and curriculum enhancements, examination frameworks, research initiatives, and quality maintenance with continuous improvement. The meeting underscored a collective commitment to academic rigor and innovation, reinforcing IIBS Bangalore's vision of providing education that is relevant, future-ready, and globally competitive, ensuring excellence in student learning outcomes.

KNOI – Product Launch Ceremony

IIBS Bangalore officially launched the KNOI System on 6th December 2025, introducing a next generation learning innovation aimed at enhancing the academic experience for both faculty and students. The system integrates

ethical artificial intelligence with curated and focused learning resources, along with AI-assisted whiteboard and presentation (PPT) creation tools. KNOI supports efficient academic preparation, promotes interactive teaching-learning processes, and enables personalized learning assistance. This initiative represents a significant step toward a GenAI-augmented educational ecosystem, reinforcing IIBS Bangalore's commitment to delivering smarter, future-ready, and excellence-driven higher education.

MOU Signing with EME Education for SAP Training

IIBS Bangalore entered a Memorandum of Understanding (MoU) with EME Education to offer specialized SAP training for students. This collaboration aims to enhance industry-oriented

learning by providing practical exposure, skill-based training, and certification support in SAP modules. The partnership reflects IIBS Bangalore's commitment to bridging the gap between academics and industry requirements, thereby improving student employability and preparing them for globally competitive career opportunities.

SAP Orientation Workshop: Navigating the Evolution from Industry 1.0 to 5.0

A SAP Orientation Workshop was organized at IIBS Bangalore – Airport Campus on 10th December 2025, offering management students an insightful learning experience on the evolution of technology from Industry 1.0 to the human-centric innovations of Industry 5.0. Conducted by industry experts, the workshop provided a comprehensive understanding of how SAP enables digital transformation, supports the shift from manual processes to automation, IoT, and AI, and facilitates real-time data integration for faster and more informed decision-making. Emphasis was also placed on the emerging harmony between humans and machines in Industry 5.0. The hands-on session strengthened students' knowledge of modern enterprise systems and equipped them with practical,

industry-relevant skills, reinforcing IIBS Bangalore's commitment to shaping future-ready leaders for today's dynamic, technology-driven business environment.

Career Opportunities in the Banking Sector – RBI Awareness Campaign

IIBS Bengaluru Airport Campus had the privilege of hosting an insightful RBI Awareness Campaign for our management students on 12th December 2025, focusing on career opportunities in the banking and financial sector. The session was led by Smt. Ashmita Jha and Smt. Suman Chakravarty, Assistant

Managers at the Reserve Bank of India, Bengaluru, who shared their expertise on emerging trends in the banking sector, evolving financial technologies, and the dynamic and diverse career pathways available in banking and finance. The program provided students with practical insights, industry exposure, and a clearer understanding of roles and responsibilities within India's central banking system. Initiatives like this help bridge the gap between academics and industry, equipping future managers with the confidence and competence to excel in a rapidly evolving business environment.
